Three Cheers for Dad's

Don't forget, Father's Day is June 17, 2018. Take some time to do something special for your dad and let him know how much you care about him.

Salute to the Flag

June 14th is Flag Day, a time to commemorate the day in 1777 when the Continental Congress

adopted the Stars and Stripes as the official flag of the United States. Here's a salute to Old Glory and the principles of freedom and democracy she represents! "You're a grand old flag. You're a high-flying flag, and forever in peace may you wave." George M. Cohen

Thermostat

If you have a central air conditioning unit you need to check the following:

- . Switch thermostat from heat to cool. The switch setting is found under the lid at the bottom of the thermostat.
- . Set the temperature to desired setting.
- . Check to make sure Central Air fuse is in the auto position.
- . If your central air is not working after doing these things you need to contact a mechanical contractor for service.
